Richard Alvah Price Jr.

December 6, 1988 - June 8, 2017

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve to dry before the sun of happy memories that I leave behind when this day is done.

Acknowledgements

The family wishes to express their sincere gratitude to everyone for their support and love during this difficult time.

Richie

Richie loved fishing, golfing, Auburn Football, music, animals, children, and yes the Family Guy and American Dad.

Above all else Richie loved his family. Richie is survived by his mother Barbara Price, father Richard A. Price Sr, sister Kristina (Nicole) Hobbs, brother in law Travis Hobbs Sr., nephew Travis Hobbs Jr, niece Lily Belle Hobbs, and many many more family and friends.

Today we remember Richie with tears and laughter but tomorrow we will remember him when we throw out that fishing line, hit or miss that golf ball, scream at the TV when watching that game, listening to a favorite song. We will remember him when we pet an animal in love and hug and kiss a child. We will laugh with Richie every time Stewie and Brian get into trouble on The Family Guy, and the Smith family tries to hide their alien Roger.

But most of all we will remember that Richie had a heart of gold and a smile that went with it.

“ *Richie I just wrote a little message to you and you know me better than anyone- I don't follow directions very good. So anyway it is posted under a comment under where your Uncle Jimmy wrote a message to you.*

So what I was trying to explain to you was today is Nana's service I'm hopeful you have already seen her but I sent a message with her to give you. It's very important you get it. This message won't be as long because I started writing at 5:30 am and it is now 6:20 am I know you will see the other message to and I will try and correct it later today. I love and miss you terribly and like I said earlier (Save Me A Spot).

FOREVER LOVED - NEVER FORGOTTEN

“ *Ritchie I just wanted to say how much I miss you, Michelle and your father and I I were so blessed that you had come over the other Friday night and spent the evening with us and had some dinner and talked about the fun we always have had growing up with each other, I know when you were born God had reached up on that top shelf and gave you the biggest heart a man could have, and you carried it well. Your father and I laughed so hard as I cut your hair that night because you were to start a new job the coming week uncle Jimmy wanted you to look good as you always did, and when we took you home late that night and you told us all how much you loved us and we loved you, that will remain in my heart forever, and I can still hear it, please keep an eye on us all and keep us strong as we are gonna need help as you are an angel to all, love you forever and ever, Rest Peacefully, Love you Uncle Jimmy & Aunt Michelle*

I'm so happy that you all got to spend that time with Richie. He was always so eager to be in the company of his Uncle Jimmy and Aunt Michelle and to have his Dad there to it's like it was meant for him to be with you all that night. He was really proud to have you for an uncle that's for certain and would never have let anything or anyone hurt you Michelle. You two were very special to him as he was to you. And we all know how much he loved being with his Dad even if it was just watching Sanford & Son he was happy. Just wanted to let you all know how much he loved being with his family.

Richie your Nana has left us and is now with you, Papa, Sue, Grandma Phyllis and many more of your family and friends who I hope you have gotten to know better than you ever did while here where I am. It is now 5:30 am on the morning that Nana's service will be held and then her body laid to rest. I gave her a message to give you (I hope she did) it was a very important one. Since you've been gone so much has changed. I kinda feel guilty cause this was the life you would of loved to live here on earth. I know you are still happy that I'm getting to live this way I. just think of it as so unfair that you didn't. There is no way to describe how much faith has came into my life from losing you or how much time I spend thinking about you or what could have been. I just can't get over this lost feeling I have inside even after 8 months and am trying to wait patiently for the day we will be together again. As we use to say "Save Me A Spot" I have so much to tell you when I see you again.

Love you Richie, Mom.
