“ *Heart broken doesn't adequately describe how we are feeling. Oh Rob, we miss you. And I know your sweet wife Kristen and your Sidekick Daughter Kylie miss you the most. We have known Rob since he was five years old. He is a month older than one of our sons. We went on many bike rides with Rob, Greg, Andrew and Mom Pam. Rob was fun loving and carefree. Rob loved his wife and daughter so much. He loved his Mom and brothers too. He was definitely a family man. Rob was always thinking and caring for his Mom. Well Rob, you are now soaring with the eagles. Love, Glenn, Joanne, Lee, Tyler and Heather*

“ *I have known Rob since he was 5 years old. As a child he, his brothers and his mother went with our family all the time. Camping at Weeki Wachee Christian Camp, Camping in many other places, bicycle riding all over Pinellas County, working on camp and church properties and doing jobs for those who needed the help of strong young people. I have so many past memories of Rob as a young man. I often hear about how Rob helps so much take care of his own family and his mother. He was always so caring. Much like the large Teddy Bear person we all know and love. Our family will miss him very much, but never forget him. Glenn Duncan and family.*

“ *I've known Robby since he was 2. I was his babysitter. He was far too serious as a child, but he made up for it as an adult: living life to the fullest: laughing, playing, dreaming big, making those dreams come true. He loved his family: his daughter was his pride and joy, his wife was the love of his life, his brothers were his best friends, and his mama...well...he was her caregiver. He loved her well! I spoke with Robby recently and told him how proud I was of the man he had become. He shrugged it off and said "My mama raised me right!"*

*I am so deeply saddened by the news of Robby's death. His departure leaves his family and friend's heartbroken. May the God of Heaven and Earth bring comfort and peace to those who are left to grieve.*

“ We all got to know Robbie, when he was on break from college. He stayed over a couple of years with Dale's Mother and Father. Believe, Robbie played some football in college and it was always a pleasure talking with him and getting to know him. Our thoughts and prayers go out to Robbie and his family. Yes, the family chain is missing a link, but it will all come back together some day, LOVE Dale and John Stewart in Chicago, Illinois.

*Rob was the BEST brother anyone could ask for, a loving father & husband. His life centered around family, always ready for a backyard BBQ or a spur of the moment road trip. Besides family, he loved his car & his perfectly manicured grass! Do not park on Rob's grass! His daughter, Kylie, is his little mini-me, following in her father's footsteps by taking over with lawn duty & household chores. There is a huge hole in our hearts now that will never fully heal... love you Rob, Gigi*

*I'm sad to hear of Rob's passing. His father-in-law, Dwight Easterly, was my best friend and he always spoke highly of Rob. I'm sure Dwight was standing there to greet Rob as he reached the top of the stairway to Heaven. God Bless Kristen, Kylie and all Rob's family.*
