Robert "Flea" Meyer

July 14, 1949 – March 20, 2026

Robert "Flea" Meyer, 76, passed away on March 20, 2026.

He lived a life defined by service, grit, loyalty, and kindness.

If you knew Flea, you recognized him instantly—black Ranger hat, Airborne t-shirt, and jeans. He was steady, real, and never put on for anyone.

He served in the United States Army with the 101st Airborne Division as a Ranger, and later in the United States Navy as a Master Parachute Rigger. The name everyone knew him by, Flea, was earned in jump school for being the lightest and smallest of his unit. Being in the sky was where he felt the most peace. Over his lifetime, he completed 6,926 skydives. With that many jumps as a civilian, it gave him more peace than most of us would ever experience.

Flea put that peace into caring for things others might overlook. He loved all animals and took care of the local "critters" without hesitation. The squirrels, feral cats, possums, and birds that frequented his backyard sanctuary all had names and cared for. That was just who he was.

He is survived by his spouse, Ruth Middleton; his daughter, Jessica George (Sean); his sisters, Jamie Scoles (Richard), Bevie Bisbing (Glenn), and Tracy Butcherine (Larry); his granddaughter, Sierra Silvestri (Cody), and grandson, Hunter; his great-grandchildren, Casen and Scarlett; and several nieces and nephews.

He leaves behind a presence that will never be forgotten either. He was respected, he was loved, and he will be missed.

ILYAWBABATSABTAEITWWU. It is no longer just bye, but good bye.
