

Mr. Robert Alexander Perry

June 3, 1995 - December 20, 2020

Robert Alexander Perry passed away in his home at the age of 25 on December 20, 2020.

Robert was born to Donna and Bill Perry on June 06, 1995 in Columbus, Ohio.

Robert was always known to make other people laugh and smile with his light and goofy sense of humor. Robert was a jack of all trades, and was known around the neighborhood to help anyone who needed it.

In life, we believe our siblings and relatives are invincible, that no matter how things go, they will never leave our sides. Robert's humility and compassion will live on in the hearts of everyone who was blessed enough to really know who he was. Robert was a spirit who, no matter the circumstances, would always lighten a heavy room and bring light to it.

In life Robert was a hard worker, and he fought so hard to keep himself going. We pray for him to find the peace that eluded him in life, in the arms of his father and his grandmother who he met at the gates of heaven.

Robert is survived by his mother Donna Perry, his brother Bill Perry, and his sister Sara Perry.

“ *My step daughter inlaw posted this and I think it's exactly right. So I'm putting it here for Robert. Because he is your son. One day as you're brushing the hair out of your little boys eyes, or wiping the jelly off his sticky fingers, he looks up and gives you a smile that lights him up from the inside out and you think to yourself... "It doesn't get any better than this." But it does... Because he grows up and becomes a good man and a good friend... And his smile still lights up your world. I love you son! Part of my heart and soul will always be with you because they already belonged to you. Momma love you baby boy 💔*
