“ Roberto was not only the guardian angel on earth for my sister, he was a great husband, father, brother-in-law, son-in-law and godfather of one of my children. I will never forget how intelligent you were and how respectful you were to the whole family. Words fall short to describe a person as special as you. Rest in peace brother. “ Bobby, my brother was a gentle giant. He was a great dad and husband. Bobby was a car racing fan and a great mechanic among the car racing family. He was caring and loving soul. He was a great husband to my dear sister in law Fior and a superb dad to my dear niece Abby. In the short years we shared together, Bobby, my brother was amazing loving and caring towards me. I experienced for the first time going on a cruise together with my brother. I will always cherish the memories forever. My dear brother, you are not in pain anymore and as much as this hurts rest easy pa. Your vieja sister will miss you always but you will live forever in my heart. I love you and miss you so much. Your sister, Sylvia
