January 19, 1927 - November 4, 2016

Robert, Bob to his friends, Mayfield Snider, 89 died Friday, November 4, 2016 at Parrish Medical Center. Bob was born January 19, 1927 in Centerview, Missouri, where he grew up on a farm. When he could legally drive, he bought his first of 17 cars before being drafted to serve in the Army during WWII at age 18. Upon discharge, he attended the University of Northern Colorado and obtained a part-time job with Singer Company, where he developed his sales skills. At the age of 24, he became the manager of a Singer Store in Worland, WY where he met Carlene, his surviving wife of 63 years. He then became the owner of the Worland Chrysler Dodge dealership. After two years he sold it and was employed as Sales Manager at a Chrysler Dodge dealership in Pocatello, ID. After 6 ½ years, he was hired as a Factory Representative at Jeep. After American Motors bought Jeep, many of the Jeep employees were given notice, thus leading to the decision to start Snider's Truck and Auto Sales, which he sold and then fully retired in 1997. He is a past President of Florida Independent Dealers, had a U-Save rental fleet of 35 cars, was Vice President of U-Save Auto Rental Inc., a Board member as well as State Manager and Regional Manager of six states. For over 20 years as a small business owner, Bob served the community by selling or renting quality vehicles for a fair price and believed "the customer is always right."

He is also survived by his brother, Lucian (Jeannie), son, Doug, two daughters: Jacquelyn (Sam) Tapley and Shelley, four grandchildren-Douglas,

Leah, Shawn and Crystal, and one great grandson, Aiden. A celebration of Bob's life will be held at Indian River United Methodist Church Thursday at 10:30AM; viewing at 10:00 AM. “ *My Dad was the most patient, kind, understanding, smart and loving man I have ever known. He was my hero - an honest, kind hearted business man and a loving husband, father and grandfather (Poppy). I am immeasurably blessed to call him Daddy and have him in my life for as long as I did. He loved his family and was so grateful for everything. After his last major stroke almost exactly two years ago, he couldn't eat for eight months. He loved food but never complained about his situation, even when he couldn't eat. I am so grateful that he was able to eat for the last 14 months and he never took that for granted again. He said "thank you" every time anyone did anything for him and was so grateful for the care he received, from my Mom especially. I know my Daddy is Heaven telling Jesus all about cars! He is whole again, surrounded by beauty and that will get me through this. I love you Daddy!*
