November 24, 1957 - November 20, 2022

Robert Nathaniel Syfrett of Cocoa, FL went to be with the lord & his wife Susan on November 20th, 2022. Bob "Nathaniel" to some was born to Kent & Lizzie Syfrett on November 24, 1957 in Rockledge, FL. He lived in Cocoa until he was about 5 years old at which time his family moved to Palm Beach county. He continued to live there until 1977 when he joined the United States Army. He was a member of company C 1st Battalion 36th Infantry. He served as a M113A1 Driver. He returned to Cocoa in the early 80's where he met his wife Susan. They were married in 1982 and later that year welcomed their first of 4 daughters. Bob & Sue spent all of their time at the softball fields while their daughters grew up. You could always find him standing on his milk crate taking pictures of the games. After Susan's passing in 2001 Bob continued to raise his girls and worked at Eastern Florida State college for the ground maintenance for 20 years. If you knew Bob you knew he loved his guns & cameras. You could usually find him at a pawn shop or gun store & they all knew him by name. If you saw him anywhere you could guarantee he had his camera with him. His family is grateful for all the memories he has preserved through film. He enjoyed the last 9 years of his life with his fiance Julie Whitsett in Rockledge, FL. He is survived by his fiance Julie, his four daughters, Becky (Melia), Renee (Clint), Traci, and Katie (Dennis). His grandchildren Mikayla, Michael, Brooklynn, Da'miya, Georgie, & Zoe. “ *Bob Syfrett was my fiancée and the love of my life. We were together for nine years and he said we would get married when he came home from the hospital but I guess it wasn't meant to be. There was one true love for him and that was his wife Susie whom he lost several years ago. He would talk about her always and it made me sad that he hurt so much. His other loves of his life were his daughters, he loved them with everything he had, and he was so very proud of each one of them. The last thing we really talked about was how beautiful his granddaughter, Brooklynn looked when she came up to see him in her homecoming dress. I will miss you baby so much and I will love you with all my heart forever!*
