“ I was a new dog Mom and met Robin through my friends daughter. She was so loving and caring for my baby. She groomed her but also explained to me the things I didn't know. She always had a smile on her face that lit up a room. Rest in Paradise Robin. We will miss you but are happy you are no longer suffering. ❤️🐶🙏

We felt so lucky to find Ohana when we moved to Cocoa Beach. Our dogs are high maintenance and “odd” but Robin never batted an eye. She had amazing animal sense and loved Congo and Gracie with all their quirks.

“ I met robin about 20 years ago of course the only groomer I would trust with my sheepdogs.. we would follow her from shop to shop. We became friends I was so happy she finally got her dream her own place. She never let anything or anyone get in her way. She was lucky to have so many who loved her. Rest in peace I am sure all the dogs in heaven are surrounding you ..

“ I knew Robin from her time in Baltimore. I have the best memories from middle school when we giggled about boys at lunch. Sharing our thoughts and chewing gum.
My first time to Florida was to visit Robin, she plucked my eyebrows for the first and last time ever!!!
I will hold Robin's kindness and gentle smile close to my heart always.
Her greatest accomplishments were her beautiful family. I know she will always be close to watch over ❤️

“ I am so sorry for your loss. I may not have known Robin for long, but for the time that I did she was truly a treat to know. I worked with her back before she owned Ohana. She was a kind hearted woman who wasn't afraid to give it to you straight. I don't know if she still had it, but I had painted a picture of pork chop for her. She was the first person I had ever painted a pet portrait for and she was so encouraging that if it weren't for her advice I wouldn't be where I am today. Rest In the sweetest of Peace Robin, you changed a lot of lives in your time here on this little planet of ours. - Christina S.

“ Robin was my sister in law-you could never find a more caring - loving-honest -sincere friend mother grama no matter how hard you searched. She was a one of a kind person to ever have the pleasure of knowing. I honestly don't think anyone could even come close to filling her shoes! She may not be here in body but her spirit will forever live on in her family.
Rest In Peace Rob-you we're a true warrior-float on🕊

“ My mom was a strong and inspiring woman. She taught me to be who I am today, how to be the best mother. If she's not in heaven, she's in Valhalla. Rest in Peace my Momma Warrior
