“ Ron will be missed. He was a wonderful friend, so kind, helpful and generous. He served his Savior and King, Jesus. He was so talented in putting together special events for the Contemporary Singles Sunday School Class and was a talented "chef" - using that talent to provide food for many weddings at First Baptist Church Merritt Island. I will always love him. Praise God, Ron is now happy and healthy in Heaven. I look forward to seeing him one day when God takes me home.

“ I am Novalene Trull Fero, Ronald's cousin from Concord, NC . Our families spent a lots of time together when we were children. I am 91 years young, the oldest to live this long in the Trull family. I loved Ronald and sorry that I never got to know his Children.He loved coming to Concord to the yearly Trull reunion until a few years ago when I was unable to plan it. Gene Trull called to tell me of his passing.

“ Ronald told me that his favorite memories were from participating in the Star Search performances at First Baptist Church of Merritt Island. In 1999, he dressed in "two-face" as a man on his left profile and as a woman on his right profile when he sang his song (this was his favorite performance). I have his videos of three performances from 1997 or 1998, 1999, and 2001. I tried to upload them to the "Photos & Videos" section of this web site, but it wouldn't let me complete. So instead I have them available on YouTube. Follow this link to reach the videos, <https://tinyurl.com/starsearchfbcmi>
