“ I had the pleasure of working with Ruth at Head Start for many years. She loved her job and the children and families she care for. She will be greatly missed. The last conversation I had with her since she moved from TN was amazing. Her same happy self, we laughed and laughed even more. Take your rest Ruth, you will be missed.

“ I have had the pleasure of knowing Ruth for a lifetime it seems. She was my sister in Christ. We were both military families. Our kids went to PreK together at Ft Benning, GA. Next we were with them in Berlin, Germany where the kids were in high school together. Last we all came to Ft Campbell, KY where Ruth and I worked in the same room at daycare. When we retired we walked the Greenway everyday. She loved our walks so much. Every morning she would say it is so beautiful here. I can still hear her words. I know my friend is walking the streets of gold now. She is whole again!!! Love you my friend and will see you again when we walk the streets of gold together. 🌸🌸🌸🌸

“ Ruth and I worked together at Fort Campbell CDC. I know Ruth as Rutie her and I had many laughs together. We cried together, especially when we’re both going through our divorces. She was a very loving, caring, and a great employee. She was loved by the children that she Card for and their parents and I will miss my friend. May you rest in peace Rutie you’re no longer suffering and you’re in the best place. We’ll see each other soon. Love you, Juanita, Medina, Forever, Friend.
