“ *I was truly blessed to know Miss Sarah...Her smile,her humor, her love for life. The thing I remember most is the look on her face when she looked or spoke about her son. The love and respect for Ricky will never falter as he takes this journey. She is your guardian angel. She was one in a million !...Love you Miss Sarah.*

Ricky, so sad to hear of the loss of your sweet mother. Sarah was an beautiful lady. I worked with her at the Kennedy Space Center TPSF where she fabricated space shuttle parts. She was a hard worker and took pride in her job. I enjoyed the many talks and knowing Sarah. Rest in peace Sarah and see you in Heaven. Kim Holt
