“ *Scott when I think of you I think about the wonderful times as young teenagers and becoming young adults growing up having spent so much time outside going fishing going to the beaches at night we were so lucky we didn't realize how lucky we were to grow up in that time I'm so sorry we didn't connect before you passed but I want to thank you for the wonderful memories and thank you for taking me to my prom even though that was something you really did not want to do but you stuck it out and you look beautiful so I hope you have family I hope you had a good life and again I'm so sorry we did not reconnect before you left this world but I wish you I wish you good fishing because I'm sure wherever you're going that's what you're going to be doing I remember you always loved enough the best besides that 55 Chevy that was as fast as a scoldinh idog I had such great times again I'm justi so sorry we didn't connect before you left this world I'm very sad I hope which will read this I hope your reach out to me I would love to hear from please do I've left my email address and I've left my phone number so I hope and pray that Butch if you get a hold of this I would just love to hear a few things about Scott okay I miss you to the day I leave this world to Scott and I hope to see you in the next one*
