

Mr. Sean Hager

May 2, 1980 - August 5, 2021

Sean Hager of Cocoa Florida passed away August 5th, 2021 at the young age of 41. He leaves behind his wife Katrina, daughter Cassidee, son Clayton, and stepdaughters Hailee and Harmonie Moore. He is also survived by his mother and father, Linda Michelle and Donald Hager as well as sisters Shannon and Brandy.

Sean was born in Bradenton Florida and embraced everything about the Florida life. An avid hunter, fisherman, and boatsman, the only thing he loved more was sharing his passion for all things Florida with his wife and children.

His sense of family, his sense of humor and his love of his family will be greatly missed.

A celebration of life will be scheduled at a later date. In lieu of flowers, if you so desire, the family asks you to please donate to the American Cancer Society or Great Dane Love, a Central Florida Rescue.

“ Sean was the best gift any parent could wish for. At the end of the day, all a parent ever wants is for their children and grandchildren to be safe, happy, loved and prepared for adulthood. Sean did all of those things in the short time he was with us and leaves behind a legacy and memories that will continue to comfort and bless his family, even in his physical absence. You will be so missed but we know you're still here.

“ *My Little Brother I can't Put into words How much you mean to me. I am truly going to miss those phone calls of yours stuck out on the river in the middle of the night ,you playing tag your it when i can't pick up my phone. You yelling at me because you didn't know something about Mom..*
Or you just calling to ask crazy question like does cantaloupe grow on a tree. Or how do I deal with the lost of 4 leg best friend. Or you just need to vent about private stuff.
I was blaming myself that I couldn't help you more, but now I am proud that you reach out .Thank you for being my little brother.
Love Your pain in the ass Sister.

“ *My God. I can't even believe this. I knew this young man since he was 6 years old. Lived next door almost 20 years. He mowed my lawn when he was a teenager. Pestered me with puppies until we finally agreed to adopt our beloved Scooby. Always willing to help out, lend a hand. So polite. I'm heartbroken. I don't know what to say. My love and condolences to Trina and kids, and Don & Michelle. Sean was a good guy and he will be missed.*

Yep he would try anything, Remember we used to go out for dinner most Thursday night's One week we went to a Mexican Restaurant and got a lot Guacamole and chips and loved it, but a few weeks later we went for Sushi and he had never been, He went to the Sushi bar and loaded with what he thought was the Good Green stuff from a few weeks before Just as we seen him put big spoon of it in his mouth we panicked. It was WASABA and just fresh made. Wow the look on his face. Life lesson well learned , Well all except for Sean that boy would try anything,

“ Miss you my Son. You are one hell of a stand up guy. Always doing what is right. I am so happy for the time we had together, but 41 years was not near enough. When young you and I spent so many Fridays, Saturdays and Sundays traveling around the Southeast so you race those RC cars, I loved that time together. It hurt a little when you said you was done it wasn't fun anymore and wanted to stop. You got a shock when you found out you had to go to school on Fridays you missed so many for three years of your young life on the road to events. But I knew you was wanting to do other things. Sorry a lot of that I did not get to share with you as much but you became an avid sportsman without my interest but always told me what was going on hunting and fishing and such and always with that shit eaten grin you became famous for you would tell me all about it. I supported when you tried drag racing but that kind of got side tracked when you took after me and became a work acholic. But then you meet a young lady and started a family, Wow surprised me you was ready to settle down, But boy did you, You went all in. You not only was my son and made so proud to tell everyone about you but you took a lovely wife brought into the family and she become one of our own, You was a good husband. But then some little munchkins turned up and WOW I seen you turn into a SUPER DAD. Your family always came first. But I am disappointed that you did not protect yourself and family as you had always done from other things from this terrible Covid stuff. I know though you lived life to the fullest and on your terms. I am still the proudest Father, of the finest man to have lived.

Good bye my son. You will as live on in my heart forever.

Love you,
Dad
