“ *Selyna was so thoughtful, and gracious. Always willing to help others. It didn't matter who they were. During our last conversation while she was in the hospital, she was more concerned on how I was doing with the loss of my daughter than herself. We shared so many good times and were always there for each other. You will always be in my heart, love you! Audrey Edwards.*

“ Selyna worked for my parents way back in the 80's at step saver and that is where we met. Devoted sweet person, hard worker, and always willing to help someone. U will be missed by many but never forgotten. U will get to see mom and dad and have a blast talking about convenient store days. God bless your family I know this is a hard time for them.

“ We shared the same wedding anniversary and always talked about that. Everyone we came into the restaurant she always came over and said hello and we talked about family. She loved her grandbabies like I love mine and we would always talk about them. She will be missed by many and especially her smile.

*Dear Christina and family,
I am so sorry to hear the news of the passing of Selena. She was a valued member of Challenger 7 SAC and cared about all the children at the school. She was especially willing to volunteer whenever I asked. She will be missed. May she rest in peace. I know the angels are taking care of her now.*
