“ *My sister Andra Dell & Serita were best friends growing up in Loris SC. I spent many hours at Serita's house as a youngster. I will always remember her smile & laughter. AD went to heaven 4 years ago. I know she & Serita are catching up. Thinking of Serita's family & friends in Florida. She touched many lives.

“ There is no way to explain how much I am going to miss Serita. I am so grateful for all the times we had together to share the boys, laugh, swim, talk, vent and solve the world and family problems. We had so many great talks. We have walked some very difficult roads together. We have so much in common. I just couldn't help but instantly liking Serita the moment we met and became family with the Birth of our first Grandson...Brody. Our families bonded instantly. Serita so loved her boys, and had great times playing with them and being their Nana. Brody and Bryant will only have wonderful fun and happy memories of the times spent with Nana and Papa. I am so blessed to have had the privilege of being able to call Serita, friend and family. I am praying for all the Giunta/Beers family during this very sad time. May God surround you His Comfort and Love, and heal the pain in your heart. Serita will always hold a very special place in my heart. With much Love, Always Kathy Beers

“ *It is with my deepest sympathy I receive this news. I had been thinking about the two of you when I didn't hear back. So sorry for your loss. You both treated us with such kindness and welcomed us into the group just like family. Carlyn and I will always remember that. We are blessed to have known her. Life is brutally harsh but I hope you have the grace in knowing that she may Rest In Peace.*

*We will keep in touch and we will meet again, my friend.*

*I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.*

“ Serita & I have been running buddies since jr high school ... and all through the years since never letting more that a few months pass without a call back & forth to ck on each other. I was thrilled when she asked me to b her maid of honor for her & Franks wedding & we celebrated a few weeks prior to that getting her back down to the beach for a "proper" bachelorette party! U girls all remember that weekend I'm sure! FRITZ & I have gone down to FL to visit her & Frank ... and of course uthey came to see us too. Which as I spoke to her just 3 weeks ago, she was so ready to get this surgery behind her so they could travel & come see us again! That was our plan ..... I'll miss her forever..... Love u girl.
