“ *Shawna You were my best friend closer to me than my own sister for a long time. I loved you then and I will love you forever. I miss our good fun times and our heart to heart talks we had so often. Because of you I met the love of my life, my husband. There are so many reasons in a day I think about you songs that come on the radio, to me putting makeup on. I will never forget you. I miss you.*
