“ *Shelby I miss you alot.i think God he blessed me by placing you in my life. The memories we shared can never be replaced, from driving to and from work at the Cape, going to craft shows and movies, getting our nails done, going out to eat, our trips to Fort Christmas, shopping, and just hanging out, talking and sharing our thoughts. I know your in a much better place and no longer have any pain or suffering. I'm happy for you and sad for me. You will always hold a special place in my heart and never be forgotten. And as long as your in our hearts you will always be with us. I thank God that I have all the special memories of times we shared. I feel like I have another guardian angel watching over me.*

Jeff,Angel,Richie and grandkids please remember your in my thoughts and prayers. If you need anything please let me know. Shelby rest in peace and know that I loved you my dear friend.

Love You, Sharon Dorman
