“ Tom was my great uncle. I grew up in foster care as an orphan after my mother died. I was adopted four times and they all failed which is why I am writing here now. No one in my biological family is in touch with me or lets me know when anyone passes. I found out through ancestry.com that he passed away. This page was shown when I put in my great aunt Henrietta's name. Even though, I was not kept in the family and almost everyone is now deceased the memory I have of Tom is of the greatest and has remained with me all the way to this day. I was at Henrietta and Tom's home as a young girl. Tom was the kindest, fun, and loving man I had ever met. He and Henrietta told me that they would have taken me. Even though, it never happened. If it would have, my life would have been full of everything he is and was. I am sad to see he passed before I had a chance to see him again. Truly, a man of honor married to his queen. Rest in peace sweet uncle. You came to me just now. And wanted to give my love back. Always, Michelle

“ Tom was my best friend in the last two years of high school. We had so much fun and laughter together. We were constantly making jokes and having a good time with all of our friends. We went to many rock concerts like Led Zeppelin, Pink Floyd, Mountain, Deep Purple, Joe Cocker and many more. He was the best friend that I ever had and I was deeply saddened when I saw this tribute to him when I tried to locate him. I will pray for his soul and hope to join him someday in the kingdom of Heaven.

I am so sorry to hear of this Aunt Henrietta. I just found out because of ancestry.com - After mommy died, I grew up an orphan. Adopted 4 times. My name changed, first and last 4 times. It is hard for anyone to find me. I love you. Thank you for the love you gave me when you saw me as a child. I remember it vividly. All my heart, Michelle

“ Tom was the best step-dad, friend and now angel in my life. I will miss him so much. His laughter and smile will be on my mind always. He has always been that funny kind of guy. He took on this family through the love for our mom and I will forever be grateful to him for the love and guidance he gave this family. You shine with the angels now papaw! You earned your angel wings. Rest peaceful now until we meet again! I love you 🥰 Your daughter, Julie & family.
