“ *To my sweet dear brother, Sonny: It was so hard to see you go. It makes it easier to know instead of the struggling in your face, the breath you couldn't catch and the light in your eyes diminished to a flicker, that there will be now a smile on your face, breaths of the smell of paradise and the reflection of Jesus in your eyes. One thing I will cherish as we lay you to rest is knowing that the last thing we said to each other was, "I love you". I will forever love you with every part of my heart! Rest with the angels, Sonny, and tell our loved ones we love and miss them dearly! Til we meet in heaven...
Your little sister, Peggy (Kitten)*
