“ *My condolences to Tim's family. I attended high school with Tim in Elizabethton, TN and graduated with him in 1966. We lost touch over the years and reconnected on Facebook a few years back and shared genealogy projects, as we are related. I am saddened not being able to communicate with him again. He is in the arms of the Lord now, and the family can take solace.*

“ *My father was a good man. He served his country for 21 years and we got to travel all over the US. My father truly loved my mom and I and when my mom passed away in May of 2020 he took it hard. Knowing they are together again gives me peace. Dad just know that I always loved you even in difficult times. Thank you for the past 16 months for us making up for 37 years. Rip Dad. Tell mom I love her*

“ Randy and I was really sorry to hear of Tim's passing. I remember Randy and I had a good time when Tim, Amy and us had lunch together. It may have been the last time Amy came in. I will really miss him on FB and his messages asking about things here. He was like by so many especially his school mates. God Be With You Melissa and the family.

“ *I'm from East Tennessee, and he had contacted me and shared that we had connections through his thorough research through Ancestry and DNA testing. I had intended to learn more from him about those family connections . He was a kind and gentle man who loved his family . (I did my student teaching decades ago in Carter County “ up on Stony Creek ,” and Carter County is respectfully referred to as “ God’s Country “ by the locals . He had a rich heritage and a richer future all because of the love of God . Love and prayers in Jesus Christ of Nazareth - my heart hurts for you . 🙏* ”
