“ *Tina! We go far back that I truly can't even remember when..maybe 13, 14? You were always nothing but kind to me. You had made some beautiful babies. I will grateful for what times we spent. You were such a hard worker. So strong. I know where you are now is so much better than this wicked world. Watch over your babies and if ya have the time come say hello!. Much love and respect to you.*
