“ *We are so sorry to hear about Veda. Martha and I had a lot of good times with Veda and Roger when they lived in Radford VA many years ago. Please accept our sincere condolences. I know you have many memories to cherish.*

“ *Veda was the common sense in a world of chaos and knew just what to say to not only break the ice, but to cut through the dark clouds of a hectic work day. She laughed with her whole self and her smile was so contagious. If she smiled, we all smiled, and every story she shared about life, love, and experience kept anyone around her waiting to hear what happened next. Her best shared experiences were the motorcycle rides that she and Dewey took together, both on the same bike, and then when she got her very own. She truly lived and loved every moment of it, at least that's what she exuded in the time that I got to know her and work with her. My heart goes out to her family and friends. She left lasting impressions. Mrs Veda Bond, you are seriously going to be missed.*
