

Ms. Vicky Sims

July 7, 1970 - September 9, 2018

Vicky Geraldine Sims Russell, 48, our beloved daughter, sister, mother and friend, passed away unexpectedly on an early Sunday morning, September 9th, 2018.

Vicky will always be remembered as the funny, generous and beautiful peer in our lives uplifting our spirit and providing comfort when we needed it most. Although her time was short with us, the impact was obvious when she lovingly touched our lives.

Vicky is survived by her daughter Lisa, her mother Brigitte and her siblings Silvia, Thomas, Arno and Dale. She is dearly missed by her family and friends.

May she rest in peace until we welcome her back at the time of the great resurrection.

"Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice" (John 5:28)

“ *I was 21 when I met Vicky 25 years ago in Friedrichsdorf /Germany. We had a very special time sharing a room for three months, laughing and crying together, sharing our strong and weak life experiances and planning the future much better than the past. Over the years unfortunately we lost contact and I was very sad, when I read that she has passed away. I remember Vicky as a very funny and emotional woman, who loved her daughter most and had a heart full of hope finding someone who would give her all the love, strength and protection she was looking for. Dear Vicky, I will always remember you and our time and I hope to see you sometime on the other side, Irina*
