“ *Virginia was a special lady. Always a smile and gentle way with everyone. One of the sweetest I will ever have had the privilege to know and work with at Challenger 7. I always remember her dancing at our gatherings-can't help but smile. Knowing and working with Sherry as well as teaching Austin- her legacy continues. My prayers and hugs to the entire family.*

“ *Virginia was such a sweet person. We did Zumba together and shared many conversations about our health challenges. We also worshipped in church together. She was such a precious lady who always had a smile and encouraging words for me. She will be truly missed.*

My heart hurts... I love you Grandma Mayo! Heaven has gained hands down one of the most beautiful, intelligent, kind, humble, fun and loving people I have ever had the pleasure of knowing, let alone being a grandmother to me! I know you are watching down on all of us! I can't wait to see you again one day. R.I.P. ❤️ XO
