

Mr. William Thomas Chapman

July 29, 1961 - November 10, 2023

William “Bill” Chapman, beloved husband, brother, uncle, son-in-law, cousin, and friend, passed away, November 10, 2023, from complications of a bone marrow transplant. He is survived by his wife Diana Chapman, brother John Chapman, nephew John William Chapman and family, Melodi, Anna, and Henry. He is preceded in death by his parents, John and Anna Chapman and much-loved dogs, Amadeus, Kona, and Karlie.

Born in New York, Bill, and his family, moved to Delray, FL in the late 60’s. At an early age, Bill’s aptitude as a mechanic began to emerge as he would fix small appliances and bicycles (often after taking them apart just to see how they worked). As a teenager, he entered an apprentice program and began his career as an automotive technician. He eventually moved to Central Florida and started his own automotive repair shop which he kept until 2002. Bill and Diana, then moved to the east coast of Florida, continuing his career as a mechanic. Bill enjoyed motorcycles, camping, travelling, and cooking. He would say his best days included a good cup of coffee, scenic motorcycle ride and sharing great food with family and friends.

The family will have a scattering of ashes at Boyton Inlet at a future date. In lieu of flowers, please consider donating blood

<https://www.oneblood.org> or registering to be a bone marrow donor at

“ So very sorry to hear about Bill's passing.
“May my condolences bring you comfort and
may my prayers ease the pain of this loss.”
