“ Bill; You were loved and will be missed by many. Growing up in the projects in North Philly, we got by with the help of a great Mom and Grandparents, and 15 cousins that Grandpop made sure of that we stayed in contact with. Remember the reunions on 4th of July at Rancocas. What a blast. I still make the punch with sherbert, so good. Love you Bill, I will miss you but I know you are with many family and friends who went before you. Love you-Your Sis Peg
