

## Mr. William Perry

October 30, 1968 - October 9, 2020

“Bill” William Perry the third passed away in his home on October 9th, 2020 just 21 days shy of his fifty-second birthday. He is survived by his father, William Perry jr, his children William Perry the fourth, Robert Perry, Sara Perry, as well as his two grandchildren.

Bill was a hard working man and loved spending any time he could fishing with his grandchildren. If there was ever a thing you needed fixed or worked on, he was the man to go to. Bill was a light hearted man with a free spirit, who never judged a soul who crossed his path. A great number of people in his community will greatly miss him and the stories he used to share. We are glad to know that he went home to Jesus to be with his mother Ethel Perry whom he missed and loved every day.
